MEMORANDUM

SUBJECT: Amendment to Arkwood Administrative Order on Consent

FROM: Sam Becker *Sam B.*
Superfund Enforcement Branch, 6H-E

TO: Barbara Greenfield
Office of Regional Council, 6C-HR

This memorandum requests that Regional Council make sending the Arkwood PRP, the agreed upon Amendment to the Administrative Order on Consent a high priority. The terms of the Amendment have been agreed upon, and the project schedule cannot be revised without this amendment.

We have recently been informed that delays are being incurred for the site work. In order to preserve EPA's enforcement options, the amendment is imperative.

Please contact me at 5-6725 to let me know when this amendment will be available.
